Convergence Indoor Percussion is a Dysart based program that allows band students from all 4 DUSD schools to join an Indoor Percussion Program. This is also known as "Winter Season" because it takes time during the winter. I joined because I was recommended to join and I have stuck with it since. Freshman year I played Auxiliary Cart (Which is a combo of multiple Instruments), and my Sophomore Year I played Bass 5 (bottom bass). I plan on finishing it my Junior and Senior year, and advancing to Higher Arizona Groups such as Breakthrough Indoor Percussion, Vision Indoor Percussion, and Flux Indoor Percussion.
